Office Draft.

Progs. of the Govt. of H. H. the Maharaja of Mysore.

Read:

Letter No 105 dated the 24 January 1903, from the President Local Fund Boards, Mysore forwarding for sanction a list of incomplete works according to G.O. No 4609 of the Hassan Taluk Local Fund Circle, ~~and requesting necessary sanction thereto~~

~~Order~~:

and proposing to meet the Cost from the closing balance of the current official year, due provision being made for it in the Supplemental District Fund budget for that year which will be submitted later on.

Order.

The list of incomplete works received with the above is approved on the understanding that the

No 3118 A fresh

Sanction was passed at a meeting of the District Board. To meet the cost, Rs 6609, Early submission of the proposed Supplemental Budget will be awaited.

draft is submitted was drawn directed. But it is submitted that special sanction to an estimate or list of works should be first accorded by Govt before they can be included in the original or supplemental Budget. Please see para 2 of Proceedings 307 S-86 dy 23/8/92. L 475

Para 3 of the same order lays down that sanction of an estimate does not authorize the D/y Comr to commence work unless there is provision in the Budget.

Para 4 lays down that all incomplete works should have preference over those not commenced.

Sanctions of grants are sufficient to meet the charge. This draft is therefore in accordance with the standing order and is not opposed to the repeated orders of the Devan. If this Asst Secy however considers that the above order of Govt should be adhered to, the same will be followed.

dy 1/9/03

I think it is

Is it the Devan's order that we must first ascertain the sources from which the cost shall be met & then sanction an Estimate or list of incomplete works. So we must follow the order

(1) Please note where this is laid down in re cases dealt with anterior to the introduction of the manual. etc such orders are necessary, in my opinion. Under the manual

The Spl Asst in his note says that it is the practice. The Branch cannot expect the practice to be laid down any where. If there had been a rule the attention of the Branch would have been drawn to it. As this is a case pending final disposal it is only the orders of the Asst Secretary that can close the case at

this stage for being finally recorded.

The Supt's marking under the provisions of the Manual as "File" "B" or "A" mean only that the papers should either be put into File Cover B. Cover or cut the papers printed as A Collection. This marking "File" is no order for recording papers in which final orders have not been passed.

Asst Secretary in charge of Branch IV refuses to pass the orders required by the Special Establishment. No further action is required to be taken on the last Serial in the collection for reasons already noted above. If necessary, the orders of the Registrar may be obtained for filing the correspondence.

Send to the Registrar. May the papers be recorded

my query (as apparently I was misunderstood—I wanted to know how the clerk of Special Ct. said that the asst. secy refused to pass orders. There is nothing in the file to show that the asst. secy made such a proposal. If it had been made orally & it may be stated so. However correspondence need not be carried further. The collection may be filed. JB 10.2.08
